## *Charge to the Graduating Class*

On this Commencement day you stand in a new relation to the University, to the State and to Life. The University that has given you of its store of learning looks upon you as its sons and daughters. The State now conceives of you as citizens, well prepared to do your part in the government, development and guidance of the Commonwealth.

If what you have learned while here has given you larger intellectual interests and widened your powers of understanding, the University feels a part of its duty done; and if in the doing, character has become your possession and a part of your moral fiber, the State is satisfied with its investment of men and money.

The University trusts you have learned to approach problems with open minds, to set aside prejudice in your judgment of men and affairs. It hopes that you will shun evil in all its forms and be ready to strive for what is right.

May you have in your declining years, material comfort, the respect of your fellow citizens, the feeling of work well done, and a spiritual and intellectual interest in human life.

Meantime, the University's honor is your honor. In your acts and deeds you now reflect your heritage. To your fellow man, the University is measured by your character, by your deeds, by the company you keep. It is in this spirit that the University calls upon you to be true to the larger things of life, to be men and women of courage, integrity, sympathy, and gentleness.

By granting of the degree you have been admitted to the fraternity of letters, and to the larger fellowship of the University. It is right and fitting that you should stand and solemnly raising your right hand repeat this pledge with me:

## *The Pledge*

In the presence of this audience, citizens of the Commonwealth and members of the University, with strong sense of my responsibility, I promise to hold my degree so no loss will come to it through my holding, to regard it as a claim upon my loyalty to Alma Mater and to pledge myself to the service of God and my fellow man.

In Testimony of your conduct and purpose, the University Senate recommending, the Board of Trustees of the University of Kentucky has conferred upon you the Diploma of the University of Kentucky, confirmed and acknowledged by the Great Seal of the University.

## *UK Alma Mater*

Hail Kentucky, Alma Mater!  
Loyal sons and daughters sing;  
Sound her praise with voice united;  
To the breeze her colors fling.  
To the blue and white be true;  
Badge triumphant age on age;  
Blue, the sky that o'er us bends;  
White, Kentucky's stainless page.

## *UK Creed*

As a Wildcat,

I promise to strive for academic excellence and freedom by promoting an environment of creativity and discovery.

I promise to pursue all endeavors with integrity and compete with honesty.

I promise to embrace diversity and inclusion and to respect the dignity and humanity of others.
