ACADEMIC ATTIRE

All candidates for degrees and those who hold these degrees, including University officials, faculty, and visiting dignitaries, are attired in traditional cap and gown. The basic color for many caps and gowns is the formal black. However, recipients of different degrees wear distinctive tassels on their caps and hoods of various hues draped down the backs of the gowns.

CAPS

Candidates for Bachelor's degrees wear the regulation cap with the tassel appropriate to the school or division from which they are being graduated, with the exception of those who already hold Doctoral degrees and are privileged to wear gold or silver tassels. Candidates for Master's degrees wear black tassels with their school or division represented by the color on their hood. Except during the playing of the "Star Spangled Banner," traditionally males in academic regalia wear their caps. The authorized list of tassel and hood colors follows:

Agriculture, Food and Environment - Maize	Engineering - Orange
Arts and Sciences Arts - White	Fine Arts - Brown
Sciences - Gold	Music - Pink
Business and Economics - Drab	Graduate School Foreign Service - Peacock Blue
Communication and Information Communication - Silver/Gray	Public Policy and Administration - Peacock Blue
Journalism - Crimson	Health Sciences - Mint Green
Library Sciences - Lemon	Law - Purple
Dentistry - Lilac	Medicine - Hunter Green
Design - Blue Violet	Nursing - Apricot
Historic Preservation - Sage	Pharmacy - Olive Green
Education - Light Blue	Public Health - Salmon
	Social Work - Citron

GOWNS

The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the Master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cut away. The gown is designed and supplied with fasteners so that it may be worn open or closed. The gown for the Doctoral degree has a bell-shaped sleeve on which are three velvet bars. Usually the gowns for Doctoral degrees are black but sometimes other colors, depending on the degree or the college or university. The University of Kentucky gown for the Doctoral degree is royal (UK) blue with black panels and three black bars on the sleeve.

HOODS

The Master's hood is long, has a wide velvet edging, and exposes the lining. The outside velvet trim color designates the degree that the person is receiving. The Doctoral hood is easily recognized by the width of the velvet edging, the wide panels at the sides, the greater length, and the full exposure of the lining. The colors of the edging most frequently seen are blue for philosophy, green for medicine, purple for laws; the colors for the honorary Doctoral degrees are purple for laws, white for arts/letters/humanities, and golden yellow for science.

CORDS AND SASHES

Black, blue, and white cords indicate membership in Omicron Delta Kappa National Leadership Honor Society.

Red, white, and blue cords indicate military service.

Double white honor cords signify academic honors of cum laude.

White and gold honor cords signify academic honors of magna cum laude.

Double gold honor cords signify academic honors of summa cum laude.

Silver cords indicate the wearer is a student athlete.

Purple and white sashes indicate the wearer is a Singletary Scholar.

Green and red sashes indicate the wearer is a Gaines Scholar.

A medallion with a white ribbon indicates the wearer is a graduate of the Lewis Honors College.

Maroon, white and roman gold (tri-color) adorned with the ALD medallion indicate membership in Alpha Lambda Delta-The Honor Society for First-Year Academic Success.

White, black and light blue (twisted cords) indicate membership in Omicron Delta Kappa-The National Leadership Honor Society.

Light pink and light blue cords indicate membership in The Phi Beta Kappa Society.

Navy and gold (braided) cords indicate membership in The Honor Society of Phi Kappa Phi.

"The Star Spangled Banner"

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.

Chorus

*Oh say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?*

SOLOISTS

Hailey Wells, 10 a.m. Ceremony
Cameron Howard, 3 p.m. Ceremony

"On! On! U. of K."

On, on, U. of K. We are right for the fight today,
Hold that ball and hit that line;
Ev'ry wildcat star will shine;
We'll fight, fight, fight, for the blue and white,
As we roll to that goal, Varsity,
And we'll kick pass and run, 'till the battle is won,
And we'll bring home the victory.

John Rosenberg

Honorary Doctor of Humane Letters

John Rosenberg (born 1931) is a Holocaust survivor, longtime civil and human rights activist, a former attorney in the Civil Rights Division of the U.S. Department of Justice and founder of the Appalachian Research and Defense Fund in Prestonsburg, Kentucky.

Rosenberg was born in Magdeburg, Germany in 1931. On November 9, 1938, seven-year-old Rosenberg and his parents were pulled from their home by Nazis and stood in the courtyard of the adjacent synagogue, where they were forced to watch the holy scriptures burned and the building interior blown up. For a year afterward, Rosenberg and his family stayed in an internment camp in Rotterdam, Holland before coming to the U.S. in February 1940. The family lived in Spartanburg, South Carolina for three years and then moved to Gastonia, North Carolina, where Rosenberg attended Junior and Senior High School. He is an Eagle Scout and president of his sophomore and senior classes.

Rosenberg attended Duke University and was the first in his family to attend college. He worked in the dining halls all four years. While at Duke, he joined the Air Force Reserve Officers' Training Corps (ROTC) program and upon graduation served three years as a navigator and instructor navigator in the U.S. Air Force. After the Air Force, Rosenberg studied law at the University of North Carolina at Chapel Hill and graduated at the height of the civil rights movement, whereupon he went to work at the Civil Rights Division. He served there from 1962 to 1970 and made his mark as a litigator of racial discrimination cases, particularly in the South.

While working for the Civil Rights Division, he met his wife, Jean, who has worked side by side with him for years, and together they traveled to Eastern Kentucky, a trip that transformed their lives. Rosenberg was contemplating a move from the Department of Justice and learned of a fledgling organization that was slated to address the symptomatic issues of poverty and assist low-income persons with their legal needs in the region, the Appalachian Research and Defense Fund of Kentucky, also known as AppalReD Legal Aid.

Rosenberg directed AppalReD and oversaw its expansion and efforts for more than 30 years, after its founding in 1970. He and his staff trained many UK law students, who worked as interns and clerks for the organization and then went on to become outstanding lawyers, academics and even judges in the intricacies of helping people deal legally with environmental and safety issues related to coal mining, consumer and housing matters, educational problems, public assistance and family law matters such as the termination of parental rights. Upon retiring from AppalReD in 2002, he founded the Appalachian Citizens Law Center in Whitesburg, Kentucky to specifically address coal-related environmental, health and safety matters.

Rosenberg remains highly active in his community. His adopted hometown of Prestonsburg has named a new town square — Rosenberg Square — for him and his wife, with a beautiful mural showing some of their history. Rosenberg has served on the Kentucky Public Advocacy Commission since 1994, including as vice-chair. He is a past member of the Board of Governors of the Kentucky Bar Association, where he has chaired the Donated Legal Services Committee, the Education Law Section and the Public Interest Law Section. He has served on the Pro Bono Committee of the American Bar Association and recruited lawyers to assist low-income persons on a pro bono basis. He has also served on the Board of Regents of Morehead State University and the Visiting Committee of the University of Kentucky Law School. His activities since 1970 and his work in the state's legal system have improved the lives of thousands of Kentuckians.

For his extraordinary contributions, the University of Kentucky is proud to present John Rosenberg with the degree of Honorary Doctor of Humane Letters.

Lewis Honors College graduates are identified by a medallion with a white ribbon.

This charge and the pledge which follows were written by Dr. Frank L. McVey,
President of the University of Kentucky from 1917 to 1940.

Charge to the Graduating Class

On this Commencement day you stand in a new relation to the University, to the State and to Life. The University that has given you of its store of learning looks upon you as its sons and daughters. The State now conceives of you as citizens, well prepared to do your part in the government, development and guidance of the Commonwealth.

If what you have learned while here has given you larger intellectual interests and widened your powers of understanding, the University feels a part of its duty done; and if in the doing, character has become your possession and a part of your moral fiber, the State is satisfied with its investment of men and money.

The University trusts you have learned to approach problems with open minds, to set aside prejudice in your judgment of men and affairs. It hopes that you will shun evil in all its forms and be ready to strive for what is right.

May you have in your declining years, material comfort, the respect of your fellow citizens, the feeling of work well done, and a spiritual and intellectual interest in human life.

Meantime, the University's honor is your honor. In your acts and deeds you now reflect your heritage. To your fellow man, the University is measured by your character, by your deeds, by the company you keep. It is in this spirit that the University calls upon you to be true to the larger things of life, to be men and women of courage, integrity, sympathy, and gentleness.

By granting of the degree you have been admitted to the fraternity of letters, and to the larger fellowship of the University. It is right and fitting that you should stand and solemnly raising your right hand repeat this pledge with me:

The Pledge

In the presence of this audience, citizens of the Commonwealth and members of the University, with strong sense of my responsibility, I promise to hold my degree so no loss will come to it through my holding, to regard it as a claim upon my loyalty to Alma Mater and to pledge myself to the service of God and my fellow man.

In Testimony of your conduct and purpose, the University Senate recommending, the Board of Trustees of the University of Kentucky has conferred upon you the Diploma of the University of Kentucky, confirmed and acknowledged by the Great Seal of the University.

UK Alma Mater

Hail Kentucky, Alma Mater!
Loyal sons and daughters sing;
Sound her praise with voice united;
To the breeze her colors fling.
To the blue and white be true;
Badge triumphant age on age;
Blue, the sky that o'er us bends;
White, Kentucky's stainless page.

UK Creed

As a Wildcat,

I promise to strive for academic excellence and freedom by promoting an environment of creativity and discovery.

I promise to pursue all endeavors with integrity and compete with honesty.

I promise to embrace diversity and inclusion and to respect the dignity and humanity of others.

I promise to contribute to my University and community through leadership and service.

I promise to fulfill my commitments and remain accountable to others.

We believe in the University of Kentucky and will forever honor our alma mater.
