ACADEMIC ATTIRE

All candidates for degrees and those who hold these degrees, including University officials, faculty, and visiting dignitaries, are attired in traditional cap and gown. The basic color for many caps and gowns is traditional UK blue. However, recipients of different degrees wear distinctive tassels on their caps and hoods of various hues draped down the backs of the gowns.

CAPS

Candidates for Bachelor's degrees wear the regulation cap with the tassel appropriate to the school or division from which they are being graduated, with the exception of those who already hold Doctoral degrees and are privileged to wear gold or silver tassels. Candidates for Master's degrees wear black tassels with their school or division represented by the color on their hood. Except during the playing of the "Star-Spangled Banner," traditionally males in academic regalia wear their caps. The authorized list of tassel and hood colors follows:

Agriculture, Food and Environment - Maize	Engineering - Orange
Arts and Sciences	Fine Arts - Brown
Arts - White	Music - Pink
Sciences - Gold	Graduate School
Business and Economics - Drab	Foreign Service - Peacock Blue
Communication and Information	Public Policy & Administration - Peacock Blue
Communication - Silver/Gray	Health Sciences - Mint Green
Journalism - Crimson	Law - Purple
Library Sciences - Lemon	Medicine - Hunter Green
Dentistry - Lilac	Nursing - Apricot
Design - Blue Violet	Pharmacy - Olive Green
Historic Preservation - Sage	Public Health - Salmon
Education - Light Blue	Social Work - Citron

GOWNS

The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the Master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cut away. The gown is designed and supplied with fasteners so that it may be worn open or closed. The gown for the Doctoral degree has a bell-shaped sleeve on which are three velvet bars. Usually the gowns for Doctoral degrees are black but sometimes other colors, depending on the degree or the college or university. The University of Kentucky gown for the Doctoral degree is royal (UK) blue with black panels and three black bars on the sleeve.

HOODS

The Master's hood is long, has a wide velvet edging, and exposes the lining. The outside velvet trim color designates the degree that the person is receiving. The Doctoral hood is easily recognized by the width of the velvet edging, the wide panels at the sides, the greater length, and the full exposure of the lining. The colors of the edging most frequently seen are blue for philosophy, green for medicine, purple for laws; the colors for the honorary Doctoral degrees are purple for laws, white for arts/letters/humanities, and golden yellow for science.

CORDS AND SASHES

Black, blue, and white cords indicate membership in Omicron Delta Kappa National Leadership Honor Society.

Red, white, and blue cords indicate military service.

Double white honor cords signify academic honors of cum laude.

White and gold honor cords signify academic honors of magna cum laude.

Double gold honor cords signify academic honors of summa cum laude.

Silver cords indicate the wearer is a student athlete.

Purple and white sashes indicate the wearer is a Singletary Scholar.

Green and red sashes indicate the wearer is a Gaines Scholar.

A medallion with a white ribbon indicates the wearer is a graduate of the Lewis Honors College.

Light pink and light blue cords indicate membership in The Phi Beta Kappa Society.

Navy and gold (braided) cords indicate membership in The Honor Society of Phi Kappa Phi.

"The Star-Spangled Banner"

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.

Chorus

*Oh say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?*

"On! On! U. of K."

On, on, U. of K. We are right for the fight today,
Hold that ball and hit that line;
Ev'ry wildcat star will shine;
We'll fight, fight, fight, for the blue and white,
As we roll to that goal, Varsity,
And we'll kick pass and run, 'till the battle is won,
And we'll bring home the victory.

This charge and the pledge which follows were written by Dr. Frank L. McVey,
President of the University of Kentucky from 1917 to 1940.

Charge to the Graduating Class

On this Commencement day you stand in a new relation to the University, to the State and to Life. The University that has given you of its store of learning looks upon you as its sons and daughters. The State now conceives of you as citizens, well prepared to do your part in the government, development and guidance of the Commonwealth.

If what you have learned while here has given you larger intellectual interests and widened your powers of understanding, the University feels a part of its duty done; and if in the doing, character has become your possession and a part of your moral fiber, the State is satisfied with its investment of men and money.

The University trusts you have learned to approach problems with open minds, to set aside prejudice in your judgment of men and affairs. It hopes that you will shun evil in all its forms and be ready to strive for what is right.

May you have in your declining years, material comfort, the respect of your fellow citizens, the feeling of work well done, and a spiritual and intellectual interest in human life.

Meantime, the University's honor is your honor. In your acts and deeds you now reflect your heritage. To your fellow man, the University is measured by your character, by your deeds, by the company you keep. It is in this spirit that the University calls upon you to be true to the larger things of life, to be men and women of courage, integrity, sympathy, and gentleness.

By granting of the degree you have been admitted to the fraternity of letters, and to the larger fellowship of the University. It is right and fitting that you should stand and solemnly raising your right hand repeat this pledge with me:

The Pledge

In the presence of this audience, citizens of the Commonwealth and members of the University, with strong sense of my responsibility, I promise to hold my degree so no loss will come to it through my holding, to regard it as a claim upon my loyalty to Alma Mater and to pledge myself to the service of God and my fellow man.

In Testimony of your conduct and purpose, the University Senate recommending, the Board of Trustees of the University of Kentucky has conferred upon you the Diploma of the University of Kentucky, confirmed and acknowledged by the Great Seal of the University.

UK Alma Mater

Hail Kentucky, Alma Mater!
Loyal sons and daughters sing;
Sound her praise with voice united;
To the breeze her colors fling.
To the blue and white be true;
Badge triumphant age on age;
Blue, the sky that o'er us bends;
White, Kentucky's stainless page.

UK Creed

As a Wildcat,
I promise to strive for academic excellence and freedom by promoting an environment of creativity and discovery.
I promise to pursue all endeavors with integrity and compete with honesty.
I promise to embrace diversity and inclusion and to respect the dignity and humanity of others.
I promise to contribute to my University and community through leadership and service.
I promise to fulfill my commitments and remain accountable to others.
We believe in the University of Kentucky and will forever honor our alma mater.
